

PROLOGIS CORPORATE PROFILE

Third Quarter 2013

www.prologis.com | NYSE: PLD

Local partner to global trade™

The leading owner, operator and developer of industrial real estate, focused on global and regional markets across the Americas, Europe and Asia. The company serves customers and investors as part of the global supply chain. Operates as publicly-traded Real Estate Investment Trust (REIT).

► Global Platform

Active in 21 countries on four continents. Approximately 3,000 high-quality facilities in strategic locations serving global trade and regional distribution. The company specializes in infill markets and develops logistics real estate typically near key seaports, airports and major freeway interchanges.

► Operations and Development

More than 1,400 real estate professionals with extensive local market knowledge and development expertise to meet complex logistics and distribution requirements. Customers include top manufacturers, retailers, transportation companies and third-party logistics providers.

► Strategic Capital

Leading private capital business focused exclusively on high-quality global and regional industrial logistics markets. Manages over \$23 billion in combined assets in 14 diverse funds covering a broad risk/return spectrum. Co-investments typically range from 15 to 50 percent.

► Corporate Responsibility

Company approach encompasses environmental stewardship, social responsibility and ethics & governance. Committed to meeting or exceeding sustainable development standards worldwide. Promotes community engagement and excellence in interactions with colleagues and suppliers. Maintains trust and business integrity through corporate practices and standards.
