AMB Property Corporation(R) , a leading global developer and owner of industrial real estate, today announced it has leased approximately 126,000 square feet in a Chicago development to Ashley Furniture, an industry leading manufacturer of quality furniture products. Ashley Furniture is using the facility, named AMB Remington Lakes Distribution Center, as their new distribution center servicing the Midwest for the distribution of finished goods.

"Ashley Furniture relies on quality distribution facilities to service their national network of retail shops in the Chicago and Milwaukee metropolitan areas. We are pleased that we could meet their need and welcome them to AMB Remington Lakes Distribution Center."
