SAN FRANCISCO, Sept. 18, 2014 [/PRNewswire/](#) -- Prologis, Inc. (NYSE:PLD), the global leader in industrial real estate, today announced two build-to-suit agreements totalling 594,000 square feet (55,190 square meters) in Europe.

The agreements include:

- A 335,700 square foot (31,190 square meter) facility at Prologis Park Prague-Airport. The building has been pre-leased to CERVA, a wholesale personal protection equipment supplier. It is Prologis' second building at the park and will be submitted for BREEAM certification;
- A 258,300 (24,000 square meter) facility at Peine, near Hannover, for international fashion logistics provider Meyer & Meyer. This will be Meyer & Meyer's second Prologis-built facility in Peine. Prologis aims to achieve the Silver Certification of the German Sustainable Building Council (DGNB).

"Demand for build-to-suit developments in Europe continues to be driven by a limited supply of high-quality logistics facilities," said Philip Dunne, president, Prologis Europe. "Our well-located land bank and ongoing focus on sustainable building practices allows us to meet customer needs in key regional markets."

Prologis owns and manages approximately 14.3 million square meters (154 million square feet) of logistics and distribution space in Europe as of June 30, 2014.
